

LCIF Pins & Buttons. Lions Clubs International Foundation.

The purpose of this page is to show Campaign SightFirst, Campaign SightFirst II and LCIF related pins and buttons. I will not go into a lot of detail about [LCIF's](#) history, but in 1968 LIF was incorporated as a Foundation. Ohio's very own PID Ralph Blaney was a trustee, as printed in this 1969 Lions [magazine](#) .

+ The Lions club magazine implies that who attended the CSFII plenary sessions in 2005–2008 would receive a limited edition commemorative pin. These pins and a "Leader" pin (shown above) was also issued in a box set, the box set was given to those who held positions in the campaign. # Courtesy of PCC Don Ager
