

Charter Monarch & Monarch Chevron Awards. Under Construction.

CHARTER MONARCH CHEVRONS & MONARCH CHEVRONS

There are two types-Charter Monarch Chevron Awards and Monarch Chevron Award.

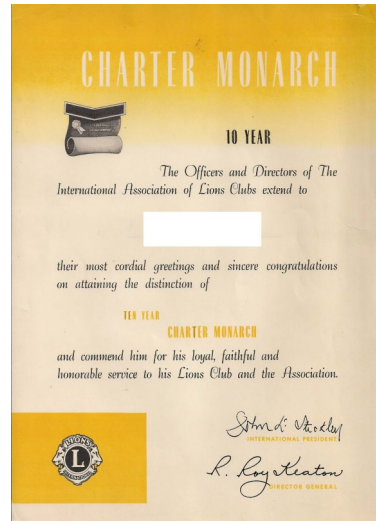

Chevrons are issued in recognition of long periods of membership in Lions Clubs International.

They are in no way related to attendance awards. The first chevron is earned starting with the tenth year of membership and in multiples of five years thereafter.

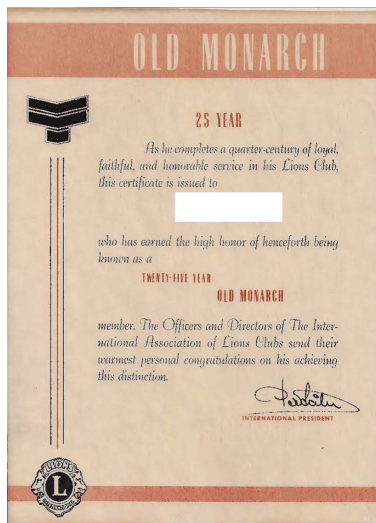

Once a Lion has met all the necessary requirements, the award is automatically shipped to the current year's district governor between July and September and presented to the winning Lion at a district convention or other celebration. And may also be purchased at the Lions International Shop.
