

BILL LEIBENSBERGER

for

INTERNATIONAL DIRECTOR

Multiple District 13 proudly presents Bill Leibensperger for International Director.

Bill has been an active Lion since his induction into the Columbus Hilltop Lions Club in 1951. As a Lion, Bill has maintained over 15 years of perfect attendance while serving his local club in a variety of offices including the office of President during 1966-67. Bill's leadership ability has been well established during his career in Lionism. He has served as Zone Chairman during 1960-61, 1961-62, and 1969-70. Bill was elected by the Lions of District 13-F to the Office of Jr. Deputy Governor in 1971, as Sr. Deputy Governor in 1972 and to the Office of Governor in 1973 at which time he was awarded by the International Office the 100% District Governor's Award. After serving with distinction, Bill was elected Chairman of the Council of Governors 1974-75.

There is an ancient Chinese Proverb which states that "Life is not a vessel to be drained, but a cup to be filled." Bill Leibensperger has fulfilled that proverb. Over and above his responsibilities as Manager of an Insurance Agency, husband and father of four children, Bill has never learned the meaning of the word no when called upon to serve Lionism or his community. He serves as Elder at the Boulevard United Presbyterian Church, Trustee for the National Church Residences and is Past President of the Columbus General Insurance Agents and Managers Association. He serves as a member of various business related associations and has been the recipient of many business and community awards --- THAT IS WHY MULTIPLE DISTRICT 13 PROUDLY PRESENTS BILL LEIBENSBERGER FOR INTERNATIONAL DIRECTOR.
