LIONS INTERNATIONAL

CHICAGO CONVENTION — JULY 16-20, 1950

"We, in Ohio are 30 years old in Lionism this year. During all these years we have gladly helped to run interference for those who have scored the touchdowns of advancement in our Association. Now we have a great back in Blee Dredge. He is well qualified to pass, receive, and carry the ball, and we will appreciate your cooperation in this opportunity. 14,000 Lions in 275 clubs in Ohio are solidly behind him. He has served Lionism well in the various positions and especially in his present job as International Director. We endorse him and commend him to you and all Liondom."
