

1979 October Anniversary Membership Growth Program

A Message From International President Lloyd Morgan

Dear Fellow Lion:

The International Association of Lions Clubs is, today, the world's largest and most active service club organization. Additional manpower is, however, required if we are to meet present and future community and human needs around the world. Effective membership growth will bring about these helping hands so necessary for Lions Clubs to conduct more far-reaching service activities and to expand their fund-raising projects which provide the financial means for them to better serve mankind.

Our October Anniversary Membership Growth Program affords us a magnificent opportunity to enlarge the scope of our programs by making it possible for more men to give of themselves on behalf of others. Special awards will recognize Lions for their initiative in bringing in new members. By introducing men to Lionism, Lions will enable their clubs to expand their objectives and to heighten the spirit of fellowship so very important to the total success of every Lions Club in our Association.

I urge every Lions Club member to participate in our October Anniversary Membership Growth Program by inviting at least one potential Lion to become a member of his club. As the service activities of Lionism are expanded in every corner of the earth, our First Object: "To create and foster a spirit of understanding among the peoples of the world" will become an even greater reality, reflecting the meaning of my Presidential Theme—A WORLD TOGETHER.

Sincerely,

Lloyd Morgan

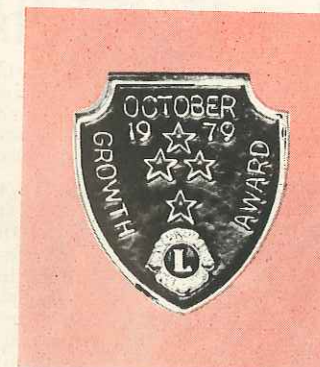

Lloyd Morgan, President
The International Association
of Lions Clubs
