

A message from International President

1982 October Anniversary Membership Growth Program

Dear Fellow Lion:

Our objective, to reach 1.5 million active Lions, will become a reality if every member of our Association **commits** himself to invite potential Lions to share our vision. Growth does, indeed, mean greater service and as more Lions join our ranks, the better able we will be to meet growing community and human needs.

During our 1982 October Anniversary Membership Growth Program, a number of awards are available for Lions who bring in new members. Winning these awards will symbolize your desire to make your Lions Club and our entire Association stronger forces for service the world over.

Remember, once these men don our lapel pin, it is the responsibility of all the Club members to "Keep 'Em." These new Lions should be given meaningful assignments and made to feel they truly belong and that their services are needed. Adding new Lions during our October Membership drive is only part of the program; we must then "Keep 'Em" if it is to be a total success.

The October Anniversary Membership Growth Program is an important step toward our 1.5 million member goal. I urge you to invite other service-minded men into your Lions Club—and then "Keep 'Em"—as you **SHARE THE VISION OF SERVICE**.

Sincerely,

Everett J. "Ebb" Grindstaff
President
