Join Us on the Information Highway International Gets On Line

INTERNATIONAL IS ON LINE. A Lions Electronic Bulletin Board is part of the Prodigy network of Service Club Bulletin Boards. Lions with a computer and modem can dial up the network and leave messages for any other Lion on the network throughout the world.

Now, Lions Clubs International headquarters is officially on line also. Our "sysop" for questions and comments is Chuck Levitt. Chuck monitors our Board and passes the questions and comments on to those who can respond.

Let's check it out. Send the "Let's Grow" page your opinion of our page: do you like our look; what would you like to see published here; or send us your own pearls of wisdom on growth and retention. We'll respond to you electronically.

Smart Tips for Setting Goals

BE SMART. Set membership goals that can be accomplished. Goals need to be:

- Specific: outline exactly what you want to accomplish and the means you will use to do so.
- Measurable: define your goals in concrete terms and write them down. It is difficult to assess progress on achieving a goal that is not clearly stated.
- Appropriate: make sure the goal makes sense for what you are trying to accomplish.
- Realistic: don't set unrealistic goals. You will only be disappointed and discouraged when the unrealistic goals are not achieved.
- Timely: set goals that can be achieved within a workable time frame. Set both short-term and long-term goals. Write down bench mark dates on a calendar and monitor your progress.

Last Chance for October Growth Award

This month is your last chance. Each Lion who sponsors one or more new members during the month of October is entitled to receive a handsome clutch back pin. Awards are sent automatically to either club presidents or club secretaries for presentation to award recipients. Only one pin is awarded per sponsor.

Lion Members Duplicate Themselves in Service, Membership Increases

ONE OF THE goals of a new Lion is to duplicate themselves in service to their community by sponsoring another member. Recently, Lion Terri Pike, who joined August 1993, duplicated herself in Lionism by sponsoring her sister, Marg Topping, into the Mesa Host Lions Club (MD-21, Arizona).

Past District Governor Alan Lundgren (left) inducts Marg Topping (center) as her sponsor and sister, Terri Pike, looks on.
